New at The Wellness Spa

Buddha Body Ritual

Nourish and detoxify your body while you relax and restore. With a recipe dating back to the 14th century, our handmade steamed compresses of aromatic herbs and spices, induce immense calmness while reducing aches and pains, increasing lymphatic drainage, recouping deficiencies and harmonizing your entire body. Continue to deeply relax with a soothing full body massage using aromatherapy oils and long Swedish massage strokes to increase 'Qi' flow. 75 minutes - \$125

Ancient Thai Foot Treatment

Combining wisdom from the ancient monks of Bangkok with the healing powers of herbs and spices, this treatment uses heated compresses, pressure point foot massage and black obsidian stones to relax and realign energies in the body which ease discomfort, open energy pathways and produce a deep feeling of balance, relaxation and well-being. 50 minutes - \$75

New Facial Alchemy Options

Upgrade your facial experience ~ customize it to your needs by adding one of our new options below: 10-15 minutes extra
