Retail Therapy at Clarity Boutique

Come in and pick out a new summer outfit. Clarity offers the hottest fashion to look your coolest in this summer.

Now available:

Beautifully embroidered purses, wallets and backpacks. These colorful delights were hand-picked by Deborah during her recent trip to China and brought back to our boutique. What we have is all that could fit in her suitcase, so get yours before they're gone!

Stress is a natural part of life - we have positive and negative stress. But what happens if stress is a result of our "Life Interrupted" - a change or culmination of events that bring us to a debilitating wall that affects our health, mental stamina, emotional resilience and relationships?

Introducing HEALSTRESS.COM

An online resource to help you uncover the core issue causing your stress and teach you how to not just manage it, but actually HEAL STRESS. Combining an easy-to-understand system, educational resources (including written, audio and video options) and interactive community, HEALSTRESS.COM is your 'Wellness Spa' at home, office or anywhere.
