Get Relief without Pills, without Medications, without Side-effects... **TRY SALT**

**Limited Time Special:**

**May 20 - June 1 only**

**Breathe Easy ~ Spring Pollen Special**

**2 people for the price of one!**

**(save \$45)**

Great opportunity to refresh and clear your sinuses or to try Salt Therapy for the first time!

**Breathe easily while you relax and rest in comfort during your 45-minute session.**

Enjoy a climate controlled room with 20,000+ pounds of Dead Sea and Himalayan Salt covering the walls and floor. Our 'Halogenerator' circulates micro-fine particles of pharmaceutical grade salt throughout the room which gently enter your lungs as you breathe normally. These negatively-charged ion salt particles travel easily to the deepest and smallest parts of the lungs and sinuses which can increase healing by assisting to expel mucus, kill bacteria and open constricted airways while it also gives your immune system a boost. Safe for children. Perfect treatment for asthma, allergies, COPD, sinusitis, bronchitis, and many other respiratory and skin issues.
