# Winter Solstice Celebration

**Wednesday, December 21<sup>st</sup> from 5:30-7:00 pm**

**With the busyness of the holiday season – we are offering an opportunity to take time for introspective quiet, internal reflection, meditation and a chance to just BREATHE with this special holiday class.**

Winter is a reflection of the mystery, rest, rehabilitation, sleep, meditation and intuition we hold within. Look outside and you see nature at rest, calm, silent... waiting to burst forth in springtime. Winter solstice is a grand celebration of the coming of something new, the return of light following the winter season of shorter, darker days. Christmas, Hanukkah and New Year's are in alignment with winter solstice celebrating rebirth, renewal, potential and light. Join in this group class celebration using seated and standing moving meditation, Qigong, breathwork and intention. This celebration class is intended for adults and/or children 14 years or older. \$20
