

Now Hiring

Licensed Esthetician

The Wellness Spa, a reputable destination spa in central Wisconsin, is Now Hiring Licensed Estheticians. **Full and part time positions available.** Applicants should hold a Wisconsin state aesthetics license, be certified in dermaplaning, chemical peel, and/or body waxing (or be willing to learn), and be open to learning some incredible Wellness Spa face and body treatments! We recently added HydraFacial to our menu and are looking for Estheticians interested in learning and doing HydraFacial services.

Great pay and benefits (retirement/profit sharing plan, flexible hours, retail bonuses, Free salt spa membership, spa service bonuses, paid spa training). Be part of a friendly team atmosphere within a beautiful, clean, healthy work environment. Our business hours ensure you can be home in time for family/self-care. The Wellness Spa is different from a medical or day spa – we are a 10,000 sq. ft. destination wellness center on 8 acres of Wisconsin nature, encompassing a variety of natural therapies and effective treatments for overall health and beauty while still offering relaxation and pampering, elegant locker rooms and relaxing spaces for our guests.

The Wellness Spa is in its 28th year in business and has a solid foundation of over 80,000 loyal customers, with many raving fans scheduling out several months in advance. It is very easy for a new esthetician to build a clientele quickly! We host a variety of classes and events, have a separate Bridal Prep Suite and group meeting space, and our own luxurious offsite water-front overnight accommodations. We attract many groups for all types of facial and spa services which keep us busy every day of the week and all year long. Yet we are closed on Sunday to give our team a day of rest. The Wellness Spa is a leader in the spa industry and welcomes creative, positive people who are looking to grow in their professional career as well as grow as an individual. Come join our Wellness Spa Family today!
