

Lavender Room

Wedding Day Prep & Bridal Suite at The Wellness Spa

You've spent months, maybe years planning for your wedding day... make sure the hours right before you say "I do" make it all worth it.

Having a place to allow time 'just with the girls' can help you savor your wedding day. Reserving our Bridal Prep Room ensures the bride privacy, quiet, reflection time, and the space to share getting ready for the big day in style with her bridal party, mom and the special people in her life.

There is no better time to make a bride feel extra special than on the morning of her wedding day.

The New Lavender Room, on The Wellness Spa property, ensures privacy within a separate upscale, chic building that is reserved just for you and your wedding party. Let *The Wellness Spa* cater to your every need - we understand high-end service and what it takes to help you feel your best on your big day.
