Massage Specials? Coming Soon! More Massage Therapists are coming to The Wellness Spa!!!

We know how frustrating it has been to try to schedule a massage in the past year. And we again, thank everyone for their patience and understanding while we have been trying to fill this need and improve your overall spa experience. In fact, we went as far as starting our own massage therapy school to help make that happen ... and the time has come. The Wellness School will be graduating our first cohort this June 1st. And we are excited to share, that we will be adding a few of those students into our Wellness Spa massage therapist team!!! Our student therapists have had outstanding testimonials from the hundreds of people who have come through our student clinic. Look for more information coming soon. We will let you know when they will be available on our Wellness Spa schedule. Thank you sincerely for sticking with us through this challenging employee-seeking time. We appreciate you as our customer and we're so excited to introduce new services, new faces, and relaxing transformational experiences as we embrace The Wellness Spa's 30th Anniversary this August.
