Thai Massage Partner Workshop

Thursday, February 13th from 5:00 – 7:30pm

Thai massage, also known as Thai yoga massage or assisted yoga, doesn't use oils or kneading like traditional massage. Instead, your therapist helps you perform passive stretches and yoga poses to promote well-being by using their body to assist and guide you throughout. This may include use of hands, elbows, forearms and feet to help prop and reduce tension in your muscles. This type of massage also focuses on the internal energy pathways in the body which can be affected by the movements and stretches.

In this partner workshop, you will learn various Thai Massage techniques and sequences to use on each other, that help to improve range of motion, circulation, energetic flow and overall wellbeing. We will utilize acupressure points along the Sen lines of the body to promote healthy energetic flow and restore the body in areas where there is stuck or stagnant energy. **Workshop price - \$75 per pair/couple**

No experience in meditation or yoga required. Workshop open to ages 16 and up.

Things to Bring: Yoga mat & whatever you need to comfortably relax (pillow, cushion, blanket, etc.) If you do not have your own yoga mat, we will supply what's needed.

Class Size Limited - please sign up at The Wellness Spa front desk or call 715-341-3333 to reserve your place in class. Workshops are on a pre-pay, non-refundable registration basis.
