Awaken the Goddess Within

Enlightening the female expression through words, movement, and breath.

Saturday, March 8th 10:00am – 12:00pm

Celebrate being a woman. Transform yourself into the woman you know you are and want to be. As women, we care for so many others through our personal lives and careers, busy ourselves with all the details of the days, putting ourselves last over other's needs ... in turn losing who we once were, who we want to be again, or maybe releasing a new goddess that has been hiding inside of us all along. Here is your chance to gently awaken the girl inside, free your eternal spirit, deepen inner healing, and unleash your goddess within. Transformation includes fun, giggles, possible tears, and euphoria!

Let Deborah guide you through 12 simple, yet empowering Qigong movements in a form she designed specifically for the transformation of a woman into the goddess she is. Combining the power of **Words with Intention, Movements made for Women, and Healing Breathwork**, you will feel the difference in your emotional and physical being as you become enlightened into your own personal empowerment by a realization of that inner power and natural beauty within yourself, opening to the courage and strength to move forward into a life of peace, love, and the joy.

Recommended for women ages 16 and up. No experience with meditation, exercise or health needed – this will be an easy yet profound class to learn how to obtain optimal health, wellness and inner beauty! Please wear comfortable clothing and shoes. Class will be done both seated and standing. **\$35**

Class Size Limited - please sign up at The Wellness Spa front desk or call 715-341-3333 to reserve your place in class. Workshops are on a pre-pay, non-refundable registration basis.
