Classes will be held in the Qi Garden Salt Spa in The Wellness Spa ~ All mats and props provided

Through the deep meditative benefits of yoga and breath work, paired with the healing properties of HaloTherapy or the natural respiratory and immune system strengthening provided within the Qi Garden Salt Spa, this is a powerfully beneficial class that can foster profound healing and overall wellness.

***September 18** Theme: Chakras

We will begin exploring the chakra centers through our body and breath coupled with a guided meditation. We will use this time to become aware of how each chakra holds space for different areas of our lives and where there may be imbalances. Each pose we settle into is in alignment with each chakra center with the intention of opening and balancing our physical and ethereal spaces.

***October 16** Theme: Yoga Nidra

Yoga Nidra is specifically designed to calm the sympathetic system in your body, which in turn, works to conserve and restore energy. You can feel immediate physical benefits like reduced stress, better sleep and this style of yoga can even aid in healing deep psychological wounds.

***November 13** Theme: Kundalini

We will dive deep into our breath and journey through our bodies with an invigorating Kundalini flow. Kundalini is the pairing of rhythmic breathwork and Kriyas to tap into the eternal energy within.

***December 11** Theme: Wim Hof

The primary focus of this class is the breath. We will explore the healing and transformative benefits of the Wim Hof style of breathing and weave it throughout our yoga practice and into each asana (posture). Each pose will be paired with this technique to shake loose clutter in the mind and body, reduce stress, increase oxygen levels, boost immune system, and promote resiliency.

Please Note: No water (or beverages of any kind) or electronics (including smartwatches) are allowed in the salt spa.
