Our health takes a beating during the winter months, especially here in Wisconsin. The Wellness Spa has created a specialty massage to increase energy production while reducing anxiety, muscle tension and stress. By incorporating Magnesium Massage Cream into this full body treatment, this essential mineral can help the body heal from the harshness of winter. Melt away stress and tension with the addition of a hot stone back massage and bonus hot stone foot massage for infused warmth and comfort. With all the extras of our traditional Wellness Spa massage; heated table, heated cozy, and hot towels throughout… this massage will welcome winter with relaxed open arms! 50/80 minutes - $115/165

Relax in our reclining massage chair while you dip your feet into a warm bubbling foot soak, followed by an invigorating foot scrub and therapeutic foot and lower leg massage. Ground your body and spirit with added hot stone foot massage, our heated neck and lap cozy and warming hand indulgence treatment to warm you to the core. This blissful foot treatment will honor your feet the way they deserve! 45 minutes - $90

Peaceful Escape

Meditate, sleep, or just BE. Our Salt Spa offers a place for deep rest for your body, mind and spirit. The 'side-effects' are clearer sinuses, easier breathing, cleaner lungs and healthier, softer skin.
A peaceful escape during this busy time of year.

Myofascial Lymphatic Drainage Massage

Myofascial Lymphatic Drainage (MFLD), blends fascia therapy and lymphatic drainage to reduce swelling, soften scar tissue, decrease inflammation, reduce chronic pain, and calm the nervous system. This revolutionary approach to Lymphatic Drainage can offer relief from chronic swelling, arthritis and joint stiffness, tendinitis, fibromyalgia, inflammation, and chronic stress. Our specially trained MFLD therapist will use slow, rhythmic and deliberate fascial stretching to release restrictions in both superficial and deep myofascial layers to clear lymphatic pathways and allow the body's natural drainage process to resume. This special massage technique works with your body's own natural fluid systems to create long-lasting, pain-relief effects while also providing a relaxing and restorative experience. Regular sessions can help maintain the health of your body's tissues and cells, reduce discomfort, improve energy and contribute to overall wellness.
Full Body MFLD Massage: 75-minutes - $180
